Defendant	)	

**DEFENDANT'S WAIVER OF JURY TRIAL**

COMES NOW the defendant, by and with his counsel herein, and pursuant to Rule 23 of the Federal Rules of Criminal Procedure, respectfully waives his right to a jury trial herein, and sets forth as follows:

1. Defendant desires to waive his right to a jury trial in this case. Defendant has had sufficient time to consult with counsel, and has considered the potential risks and benefits of waiving his right to a jury trial.

2. Defendant understands that a jury trial in this case would involve a process whereby 12 impartial people would be selected from a pool of persons drawn from the Western District of Missouri, and that these 12 people would make up the jury in this case.

3. Defendant understands that before he could be found guilty, all 12 jurors would have to unanimously agree that the government had proven all of the elements of this charge reasonable doubt.

4. Defendant understands that by waiving his right to a jury trial, he is consenting to a trial by the Court only, and that the Court's verdict will have the same force as that of a jury verdict.

5. Counsel for the government consents to this waiver, and to a bench trial before the Court.

WHEREFORE, counsel respectfully requests that the Court grant the relief requested herein, and for such other orders as the Court deems necessary.

Sincerely,

*/s/Shane P. Cantin (#41699)*
